Teachers:

It is with pleasure that I announce the names of the MTA members who have been nominated as our CTA "WHO Award" winners. The WHO Awards (We Honor Ours) are given to Association members who go above and beyond in the service to our membership. When looking at the folks who have been honored in the past for their work in the MTA, it is easy to see how these three nominees fit in. This year's winners are...

1. Jeanne Cusack
2. Matt Johnson
3. Christina Anderson-Huber

Congratulations to each of you. CTA will hold an Awards Banquet for the WHO Award winners on Friday, May 8th in San Bernardino. We applaud the service and dedication of our Award winners and look forward to their award's night celebration.
